

Hello,  
we are

**Kusjes van ons**  
XOXO 

TRAVEL INFLUENCER & TRAVEL  
AGENCY OWNER

## Let's work together!

Hi, I'm Nicole, the person behind Kusjes van ons. Together with my family I like to discover the most beautiful places in the world, which we are happy to share on both our website and Instagram. Traveling with children, discovering the world with children, is the best thing there is and we hope to inspire others with our various channels to go out with children. In recent years we have visited many different places in Europe, but there is always more to discover.

We are also Travel Agency owners, for which we are launching a brand new website on November 1st.

From November to Mai we are going on a trip around the world. Of course because we love traveling, but also to promote our Travel Agency and all the beautiful places we can offer our clients.
